Educational book

The 11-ICML Educational Book is kindly supported by an unrestricted educational grant from Merck Sharp & Dohme.

List of Meet the Professor articles:

I Epidemiology of adult non-Hodgkin lymphoma
   P. Boffetta, New York, NY, USA

II New perspectives and challenges in the understanding of mantle cell lymphoma
   E. Campo et al., Barcelona, Spain

III Role of Allotransplantation for non-Hodgkin’s lymphoma and chronic lymphocytic leukemia
   P. Dreger, Heidelberg, Germany

IV Epigenetics: what it is and what it can bring
   M. Esteller, Madrid, Spain

V Primary CNS lymphoma in immunocompetent patients
   A. J. Ferreri et al., Milan, Italy

VI DNA microarray technology. Principles and application to the analysis of malignant tumours
   (with special emphasis on lymphoma)
   M.F. Fey, Berne, Switzerland

VII The role of the microenvironment in lymphoid cancers
   R.D. Gascoyne et al., Vancouver, B.C., Canada

VIII Radio-immunotherapy in malignant lymphoma: an underused tool?
   A. Hagenbeek, Amsterdam, Netherlands

IX CLL for the clinician
   M. Hallek, Köln, Germany

X When should radiotherapy be used in lymphoma?
   T. Illidge, Manchester, UK

XI Distinguishing Burkitt lymphoma from diffuse large B-cell lymphoma.
   A. Jack, Leeds, UK

XII Gray zone lymphomas: a biological experiment, and a challenge for diagnosis and management
   E.S. Jaffe et al., Bethesda, MD, USA

XIII Is there still a role for vaccines in lymphomas?
   R. Levy, Stanford, CA, USA

XIV T and NK cell lymphoproliferative disorders
   S.T. Rosen et al., Chicago, IL (USA)

XV Primary cutaneous lymphomas
   R. Willenme, Leiden (Netherlands)

XVI Apoptosis: from biology to therapeutic targeting
   O.A. O’Connor, New York, NY (USA)

Supplementary information to abstract 130.

Note: The articles published in the 11-ICML Educational Book represent the presentations made at the “Meet the Professor” sessions during the 11th International Conference on Malignant Lymphoma (11-ICML) held in Lugano, Switzerland on June 15-18, 2011.

All manuscripts submitted have been subjected to peer review, and authors have been requested to disclose any relationships with the companies whose products or services are discussed in their manuscripts.

The authors report no relationships with companies whose products or services are mentioned in these manuscripts.

* Prof Franco Cavalli and Prof Michele Ghelmini, as guest editors, have reported no financial relationships with companies whose products are mentioned in this supplement.
